

Keeping safe at Belle Vue Primary School

At Belle Vue Primary School, all the adults around you think that your health, safety and welfare are particularly important. In our school we respect all children and want to keep you safe and help protect your rights.

How we will try to protect you:

- We will provide a safe environment for you to learn in
- We want to ensure you remain safe at home as well as in school
- We think it is important you know where to get help from if you are worried or have a concern.

There are people in school who have received special training to make you feel safe. You, your friends, or adults at home can speak to any one of the following if you have a problem:

Mrs Davies
DSL

Mrs Richardson
Deputy DSL

Mrs Perrett
Deputy DSL

Mrs Mulligan
Deputy DSL

You can also talk to these people:

- Mr Marshall, our Headteacher
- Any teacher
- Any teaching assistants
- Anyone in the office – Mrs Bell, Mrs Hunt and Mrs Cox
- Our cooks
- Our site manager – Mr Butler
- Our cleaners
- Our staff in breakfast club and after school club

What kind of things might make me feel unsafe?

- Being hurt by another child or an adult
- Being touched in a way you don't like
- Not being looked after by people you live with
- Seeing family/carers I live with being hurt

Bullying

If you think you are being bullied, you must tell a trusted adult or friend who can report it for you.

REMEMBER OUR SCHOOL RULES ARE:

1. Be Ready
2. Be Safe
3. Be Respectful

Touching

Your body belongs to **you** and no one else. If you do not like the way someone has touched you, you must talk to an adult. This can be a parent/teacher/carer/someone you trust.

Hitting/punching/smacking

If an adult or child hits, punches or smacks you, please tell an adult or parent. You must tell someone or else it may not stop. You must tell an adult if you see someone being hurt at home.

On the computer or on a phone

It is important to keep yourself safe on your computer, games console or on your phone. If you are unhappy with comments or images that you receive, report it to an adult immediately.
